## WAKE UP DEAR NEW TESTAMENT BELIEVER

Believing in Jesus and/or the New Testament is considered **100% IDOLATRY** according to the Holy Torah. I know you didn't know, but ignorance does not absolve one from the crime. Now you will have the opportunity to investigate the TRUTH once and for all. Please watch this historic 3-hour DEBATE between Rabbi Mizrachi and the Christian professor (who teaches priests to become priests).

This DEBATE proves that the New Testament is a flawed manmade book that is a contradiction to the Holy Torah (i.e. Old Testament) and not a supplement at all.

### Step 1: THE DEBATE

### Step 2: Noahide lecture

### Step 3: Rabbi Tovia Singer Website

### Step 4: The Purpose of Life (Rabbi Yosef Mizrachi's Movie)

## Step 5: Torah Secrets EXPOSE Yeshua (Jesus) & New Testament

## Step 6: THE KABBALAH SOURCE OF YESHUA

## Step 7: "HaShem Took Back His Millions THE MOVIE

By immersing yourself in these incredible Torah resources, you'll gain the knowledge and tools needed to combat idolatry 💡. Explore lectures that debunk the manmade nature of the New Testament and expose the true character of Jesus, shedding light on his actions as contrary to popular belief. The debate alone highlights the flawed and contradictory nature of the New Testament compared to the Holy Torah (Old Testament) 📖.

It's time to wake up, dear New Testament believer! Belief in Jesus and the New Testament is unequivocally deemed idolatry according to the sacred Torah. Ignorance may have clouded your understanding, but it doesn't absolve one from the truth. Consider this an invitation to investigate the truth once and for all, and embark on a journey of enlightenment 🌟

# About JEWISH CONVERSION

**NOTE: This is an interactive guide. To further your learning click on any icon or image.**

## What is converting to Judaism?

Converting to Judaism is the process by which an individual who was not born Jewish becomes a member of the Jewish community. Unlike some other religions, Judaism is not a proselytizing faith, meaning it does not actively seek to convert people from other religious traditions. However, Judaism does have a process for individuals who are sincerely interested in joining the Jewish faith.

It's important to note that conversion to Judaism is a serious and significant decision, and the process can take several months or even years. Additionally, the requirements for conversion can vary, especially between the different branches of Judaism. Individuals considering conversion are encouraged to engage with a local rabbi or a Jewish community to guide them through the process.

# REALLY WANT TO KNOW THE TRUTH

**NOTE: This is an interactive guide. To further your learning click on any icon or image.**

Since you are new to the Torah and have not yet accepted it as a divine truth that is indisputable, I recommend you “re-educate yourself” by first starting with these videos. I say “re-educate” because to accept that truth of the Torah, you must realize that the current knowledge you currently believe to be true is going to be contradicted by what you learn about and from the Torah. If you are biased and firm about your beliefs to the point where nothing can change them, then this will not work, as the biased predisposition you have automatically reject any new insight you get. There’s much more to say, but its best to let the teachings below speak for themselves.

As it is written in the Torah:

*“From there you will seek HaShem, your God, and you will find Him, if you search for Him with all of your heart and all your soul” (Deuteronomy 4:29)*

# How Can You VOLUNTEER

## AT BEEZRAT HASHEM INC?

**NOTE: This is an interactive guide. To further your learning click on any icon or image.**

With the increased popularity and demand for our Holy Torah teaching and kiruv work, there's more of a need for volunteers now than ever. We have countless ideas (new and existing) that we're trying to implement to reach the four corners of the world, so we can help the world return o HaShem, and to sanctify His Name.

The only issue is that our ideas are typically beyond our limited budget to do so, hence the need for even more volunteers. While the typical help we request is your financial support, some special NeShamot want to do even more, and be even closer partners with the amazing work of BeEzrat HaShem that are now surpassing the video viewership of 5,000,000 minutes/month (60mm/year).

So, what can you do to help Am Yisrael and become a part of Team BeEzrat Hashem?
